

Parent Teacher Organization Harmony Science Academy Houston High School

A 501(c)(3) Non-Profit Organization

September 21, 2021

Dear Future Builder!

Thank you for considering a generous, tax-deductible donation to the official Parent Teacher Organization of Harmony Science Academy Houston High School. Our PTO is proud to support HSA-H, a comprehensive four-year college-preparatory public charter high school serving grades 9-12. HSA prepares each student for higher education by providing a safe, caring, and collaborative atmosphere featuring a quality, student-centered educational program with a strong emphasis on Science, Technology, Engineering, and Mathematics.

HSA-H has been featured in the Washington Post, Newsweek, and US News and World Report for its challenging academics and student success. HSA-H has propelled students, nearly 80% of whom qualify for free and reduced meals, to college acceptance at universities ranging from the University of Houston, UHD, UT Austin, Georgetown, Columbia, Rice, and Yale.

Your generous, tax-deductible donation will help our PTO fund field trips, buy equipment, purchase teacher and student supplies, sponsor teacher professional development, procure sports equipment, and pay for school improvement projects such as expansion of physical education space. Moreover, you would investing in the future of our local community, ensuring its growth and success through the cultivation of its most valuable resource: our children!

At this time, we can accept your generous, tax-deductible donation by check payable to "HSA-H PTO." You may send the check by mail to the address below or drop off the check at the PTO mailbox at the school's front office.

You may donate by Zelle fund transfer using the following email address: treasurerma@hsahpto.org

Also, if you shop on Amazon, use the following link and Amazon will make donations on your behalf to HSA-H PTO:
